

MEMORANDUM

DATE: August 13, 2013
TO: Whom it May Concern
FROM: Stan Humphries 
RE: Professional Reference for ACG LLC, Inc.

The Hollow Project for the Thompson Island Outward Bound Education Center (TIOBEC) located in Boston Harbor required addressing several environmental related items such as: wetlands delineation, the 100 year floodplain, and an Order of Conditions. ACG LLC, Inc. worked together with LEC Environmental Consultants, Inc. and its' personnel to investigate, address, and properly handle the necessary environmental issues regarding the work done on this project.
